

Captain Tom: Life Lessons from a War Hero and Inspiration to Millions

Captain Tom Moore was born in Keighley, Yorkshire, England on April 30, 1920. He joined the British Army in 1940 and served in India, Burma, and Sumatra during World War II. After the war, he worked as a civil engineer and later as a fundraiser for various charities.

In April 2020, at the age of 99, Captain Tom set out to walk 100 laps of his garden to raise money for the NHS. His goal was to raise £1,000, but his efforts quickly went viral and he ended up raising over £32 million.

Captain Tom's story is one of hope, determination, and service to others. He showed us that even in the face of adversity, we can achieve great things if we never give up on our dreams.
