What is Creation to Babel About?

Creation to Babel is a book that tells the story of the Earth, from its creation to the Tower of Babel. The book is divided into two parts. The first part covers the creation of the Earth and the events that followed, including the fall of man and the Great Flood. The second part of the book covers the history of the human race after the Flood, including the rise and fall of civilizations and the development of language.

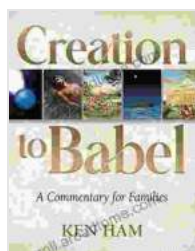

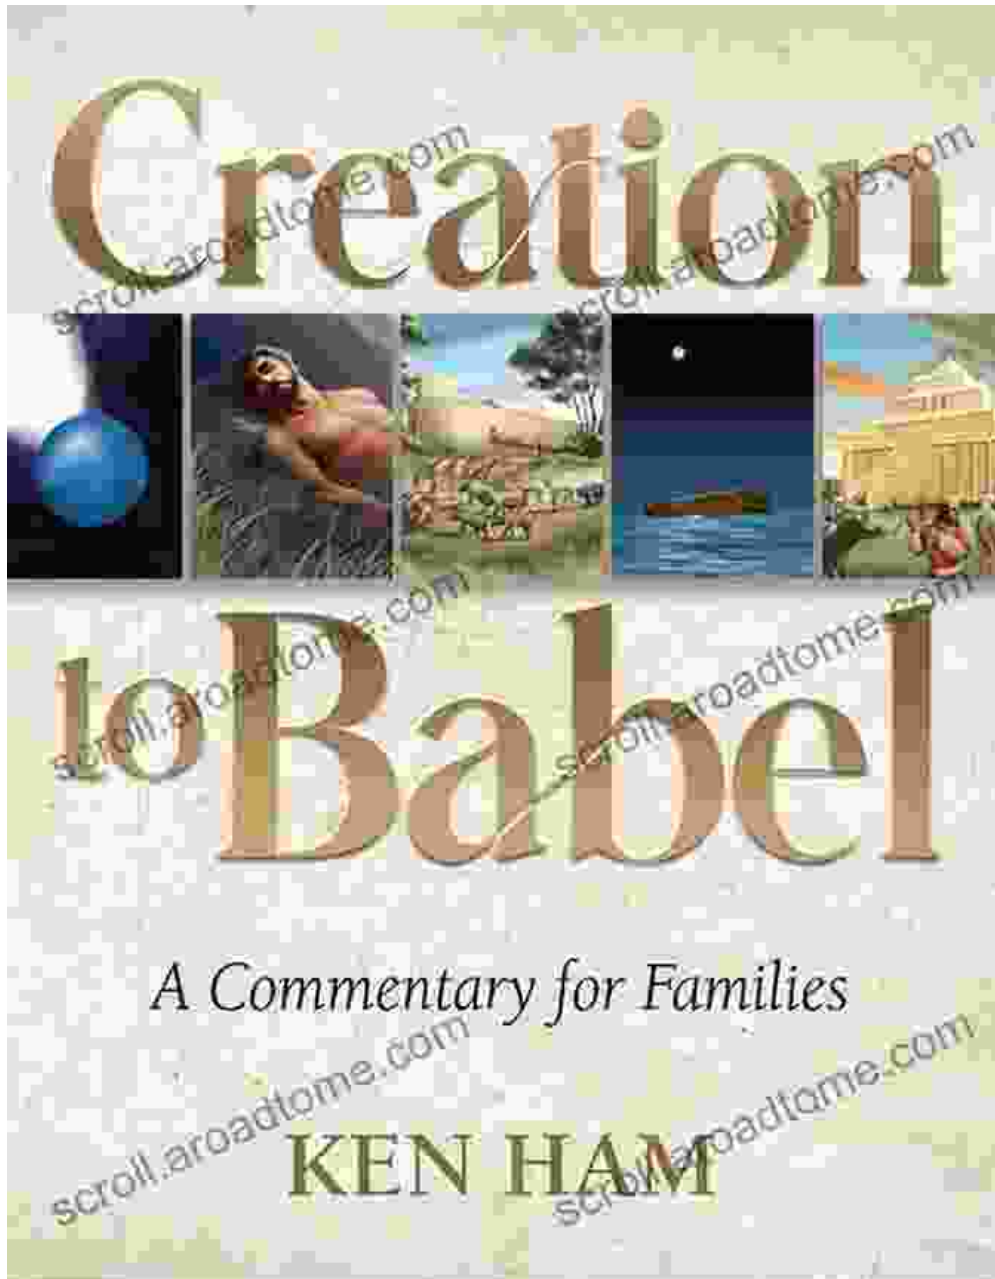

Why Should You Read Creation to Babel?

There are many reasons why you should read *Creation to Babel*. First, the book provides a comprehensive overview of the history of the Earth. This information is essential for understanding the world we live in and our place in it. Second, the book offers a unique perspective on the origins of the world and the human race. This perspective is based on the Bible, and it provides a different view of history than what is typically taught in schools.

Third, *Creation to Babel* is a well-written and engaging book. Ham does an excellent job of presenting the information in a clear and concise way. The book is also full of beautiful illustrations that help to bring the story to life.

If you are interested in learning more about the history of the Earth, then you should check out *Creation to Babel* by Ken Ham. This book provides a comprehensive overview of the events that took place during this time period, and it offers a unique perspective on the origins of the world and the human race.
