It's Christmas Eve, and Father Christmas is getting ready for his big night. But there's one problem: he needs a wee!

Father Christmas searches high and low, but he can't find a toilet anywhere. He tries the elves' workshop, but it's too small. He tries the reindeer's stable, but it's too smelly. He even tries the North Pole, but it's too cold.

Just when Father Christmas is about to give up, he sees a little girl's house. He knocks on the door, and the little girl answers. Father Christmas explains his problem, and the little girl invites him in.

Father Christmas uses the little girl's toilet, and he's so relieved! He thanks the little girl and gives her a big hug. Then he goes on his way, feeling much better.

Father Christmas delivers all the presents on time, and everyone has a very merry Christmas. And all thanks to the little girl who helped Father Christmas when he needed a wee!
