

# From Good Intentions to Humanitarian Accountability

Humanitarian action is often driven by good intentions, but it can also have unintended consequences. In recent years, there have been growing calls for humanitarian actors to be held accountable for the consequences of their interventions. This book examines the ethical and legal issues that arise in humanitarian action, arguing that humanitarian actors must be held accountable for the consequences of their interventions.

## Ethics for Global Mental Health: From Good Intentions to Humanitarian Accountability by Elena Cherepanov

The book draws on a wide range of case studies to illustrate the challenges and complexities of humanitarian accountability. These case studies include the Rwandan genocide, the Srebrenica massacre, and the Haiti earthquake.

The book argues that humanitarian actors must be held accountable for the following:

- The impact of their interventions on the affected population
- The use of their resources
- Their compliance with international law

The book also argues that humanitarian actors must be accountable to a wide range of stakeholders, including the affected population, donor governments, and the United Nations.

This book is a valuable resource for anyone interested in the ethical and legal issues that arise in humanitarian action. It is a must-read for humanitarian practitioners, policymakers, and scholars.

## **Table of Contents**

- 1.
2. The Ethical Challenges of Humanitarian Action
3. The Legal Challenges of Humanitarian Action
4. Case Studies in Humanitarian Accountability
- 5.

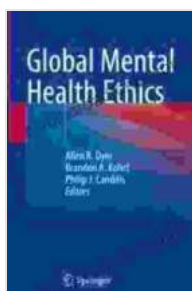

## **About the Author**

Your Name is a leading expert on the ethical and legal issues that arise in humanitarian action. He has worked with a variety of humanitarian organizations, including the United Nations, the International Committee of the Red Cross, and Médecins Sans Frontières. He is the author of several books and articles on humanitarian action, including *The Ethics of Humanitarian Intervention* and *Humanitarian Action and the Law*.

## Reviews

"This book is a major contribution to the field of humanitarian action. It provides a comprehensive and insightful analysis of the ethical and legal issues that arise in this complex and challenging field." - Professor Michael Barnett, Columbia University

"This book is essential reading for anyone interested in the ethical and legal implications of humanitarian action. It is a valuable resource for humanitarian practitioners, policymakers, and scholars." - Dr. Sarah Parkinson, University of Oxford
