Join Hop Bunny on an exciting adventure through the forest, discovering the amazing creatures and plants that call it home. With stunning photographs and engaging text, this book is perfect for young readers who love to explore the natural world.

From the Back Cover

Hop Bunny is ready to explore the forest! Join him as he meets a variety of animals, from tiny insects to large mammals. Learn about the different plants and flowers that grow in the forest, and discover the amazing things that happen there at night.

What's Inside

- Stunning photographs of forest animals and plants

- Engaging text that is perfect for young readers
- Fun facts about the forest and its inhabitants
- Activities and games to help children learn about the forest

Reviews

"This book is a great way to introduce young children to the wonders of the forest. The photographs are beautiful, and the text is engaging and informative. I highly recommend it!" - Our Book Library reviewer

"My son loves this book! He has learned so much about the forest and its animals. It's a great way to get him interested in nature." - Goodreads reviewer

About the Author

Author Terry Collins is a lifelong lover of nature. He has written many books for children about animals and the environment. His work has been featured in National Geographic Kids, Ranger Rick, and other publications.
