Pakistan in National and Regional Change provides a comprehensive analysis of Pakistan's political, economic, and social transformation in the context of regional and global dynamics. The book offers insights into the challenges and opportunities Pakistan faces in the 21st century.

Drawing on the latest research and analysis, the book examines Pakistan's political system, economic development, social change, foreign policy, and security challenges. It also explores Pakistan's relations with its neighbors, including India, Afghanistan, and China, as well as its role in regional and global organizations.

Pakistan in National and Regional Change is an essential resource for anyone interested in understanding Pakistan's past, present, and future. The book is written in a clear and accessible style, making it suitable for both scholars and general readers.
