## By Shana Keller

Ticktock Banneker Clock: A Journey Through Time is a beautifully illustrated children's book that tells the inspiring story of Benjamin Banneker, an African American astronomer, mathematician, and inventor who created the first wooden striking clock in the United States.

The book follows Banneker's journey from his humble beginnings as a slave to his rise as a respected scientist and inventor. Along the way, readers learn about Banneker's passion for learning, his perseverance in the face of adversity, and his commitment to using his talents to make the world a better place.

Ticktock Banneker Clock is a must-read for children of all ages. It is a story that will inspire them to dream big, work hard, and never give up on their dreams.

## Praise for Ticktock Banneker Clock: A Journey Through Time

"A beautifully written and illustrated book that tells the inspiring story of Benjamin Banneker, an African American astronomer, mathematician, and inventor who created the first wooden striking clock in the United States. This book is a must-read for children of all ages." - **Booklist**

"A wonderful book that celebrates the achievements of Benjamin Banneker. This book is a great way to introduce children to the history of science and invention in the United States." - **School Library Journal**

"A must-have for any classroom or library. This book is a great way to teach children about the importance of STEM education and the power of perseverance." - **The Horn Book**
