## Are You a Walk-In?

Walk-ins are advanced souls who have chosen to leave their own planets and incarnate on Earth during these unprecedented times of change and transformation. They come here with a mission to help humanity evolve and ascend to a higher level of consciousness.

If you have ever felt like you don't belong here, that you are different from everyone else, or that you have a deep yearning for something more, you may be a walk-in. This book will help you to identify and embrace your cosmic heritage.

## What is Cosmic Awareness?

Cosmic awareness is the realization that we are all connected to a vast and infinite universe. It is a state of being in which we transcend our limited ego-selves and experience our true nature as beings of light and love.

Walk-ins often come to Earth with a high level of cosmic awareness. They may have a deep understanding of the universe, a strong connection to their spiritual guides, and a desire to share their wisdom with others.
